

THE END OF BILL JENSEN

THE END OF BILL JENSEN

(also known as "Shane Boyle" or other names that his fanbase calls him, like chris griffin or somethin)

MAJOR CONTENT WARNING! THERE CONTAIN DISCUSSION OF CENSORED PORN, GORE, AND MORE CENSORED EVIDENCE. THIS DOCUMENT IS NOT FOR THE FAINT OF HEART. YOU HAVE BEEN WARNED.

Bill Jensen or also known as "Shane Boyle" in real life is a American streamer and actor from Pennsylvania who is well known for his "Christianity Hotline" which he converts people to christianity in his hotline and also lets people donate videos through "Mediashares" which leads to pornographic and graphic content play on his stream which he is also known raging at.

He first started off as a streamer on twitch named "CrazyManSRB". However, all of that would change on October 4, 2017 when he first started the "Christianity Hotline". He was much more calmer back then and a bit chubby. He started to go more and more viral around 2019 when he started the hotline on instagram, converting more callers. He did his very "first" stream in 2018.

He started to do more and more streams on youtube on his computer and turn on mediashare where anyone could donate at any time (if he was livestreaming) this would lead to pornographic and graphic content being played on his stream causing him to rage. However, the FIRST extreme "troll" named "Medic7" and changed the hotline forever.

before i explain that tho, heres some info about the green, red and yellow colors.

GREEN = actual evidence of that happening

YELLOW = it might be true or IS true but no clips or archives of it

RED = deleted or banned

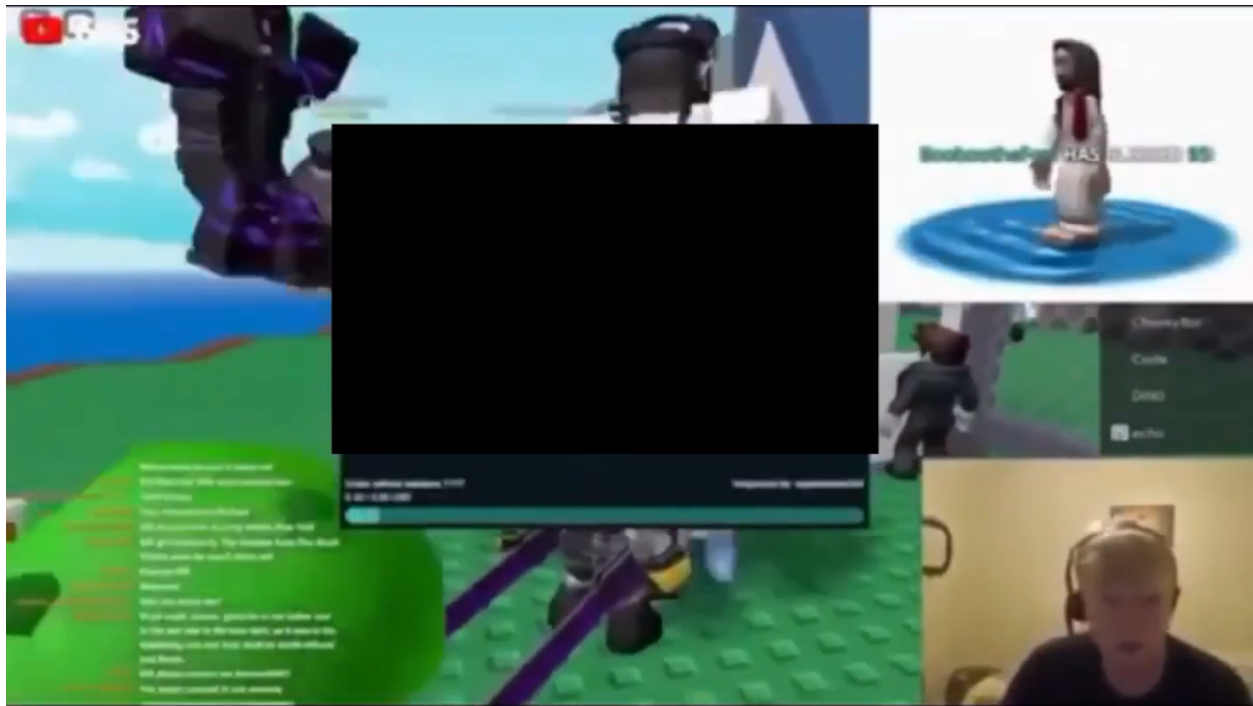

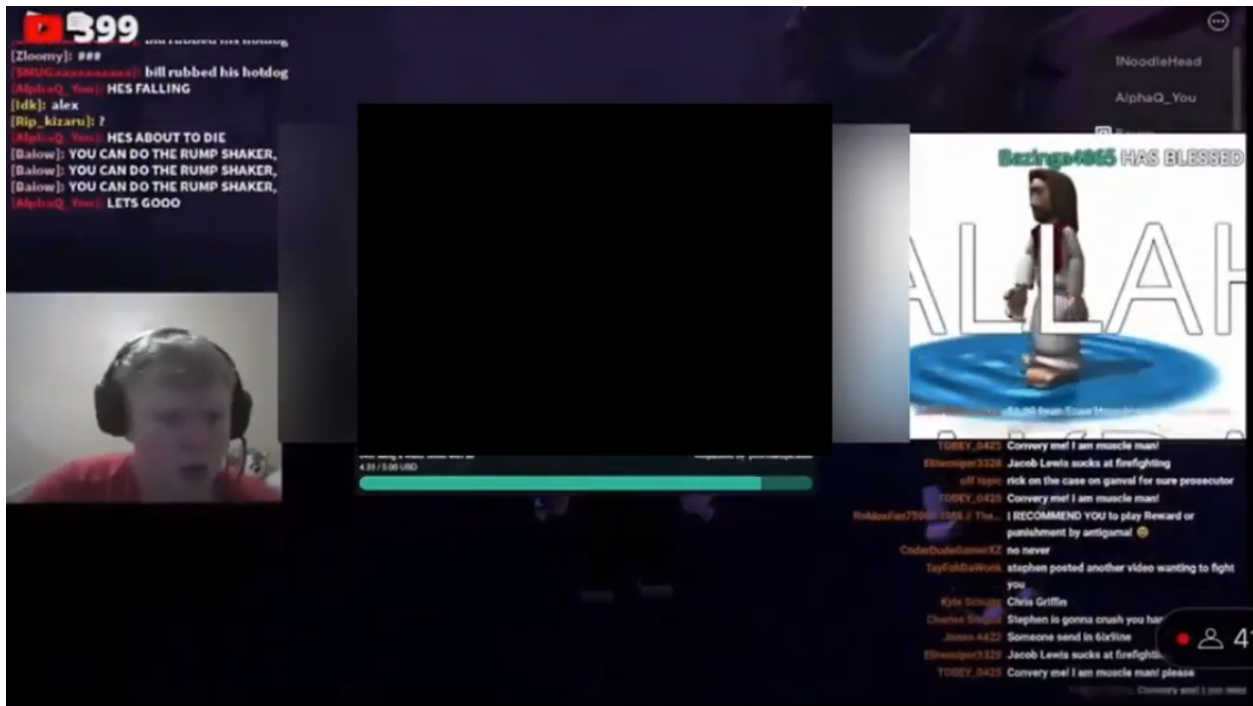

Medic7 & The Trihard Community

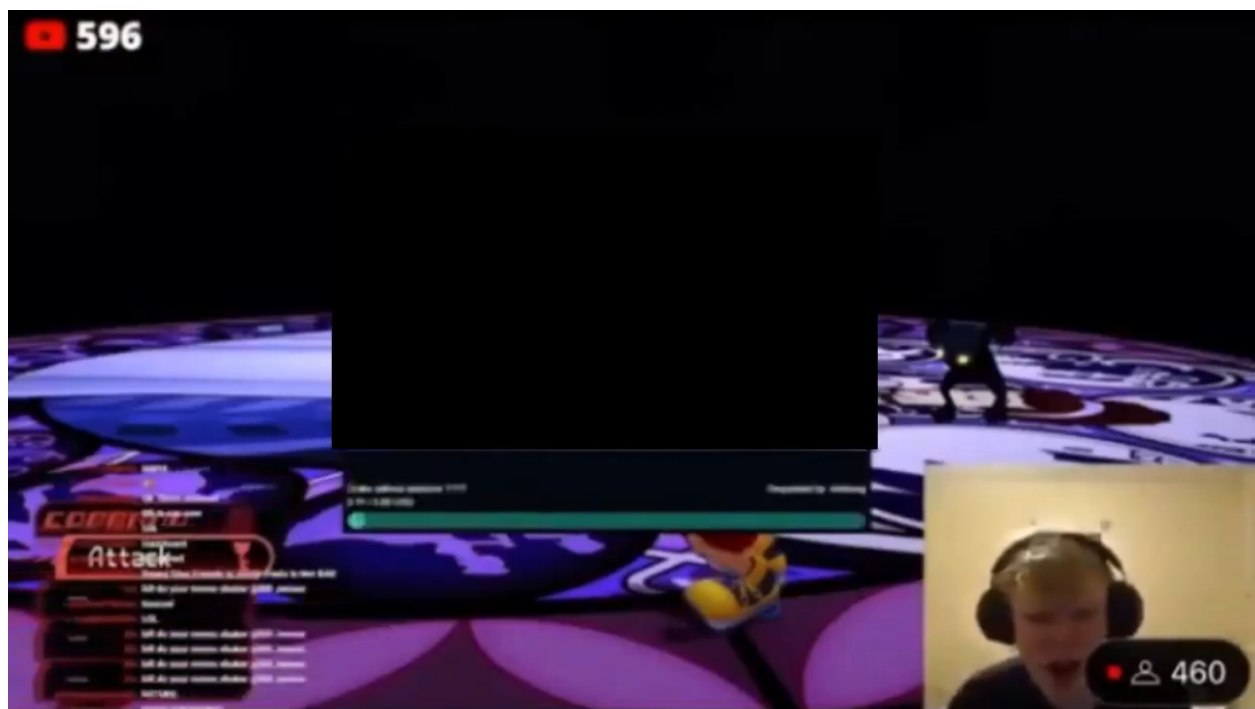

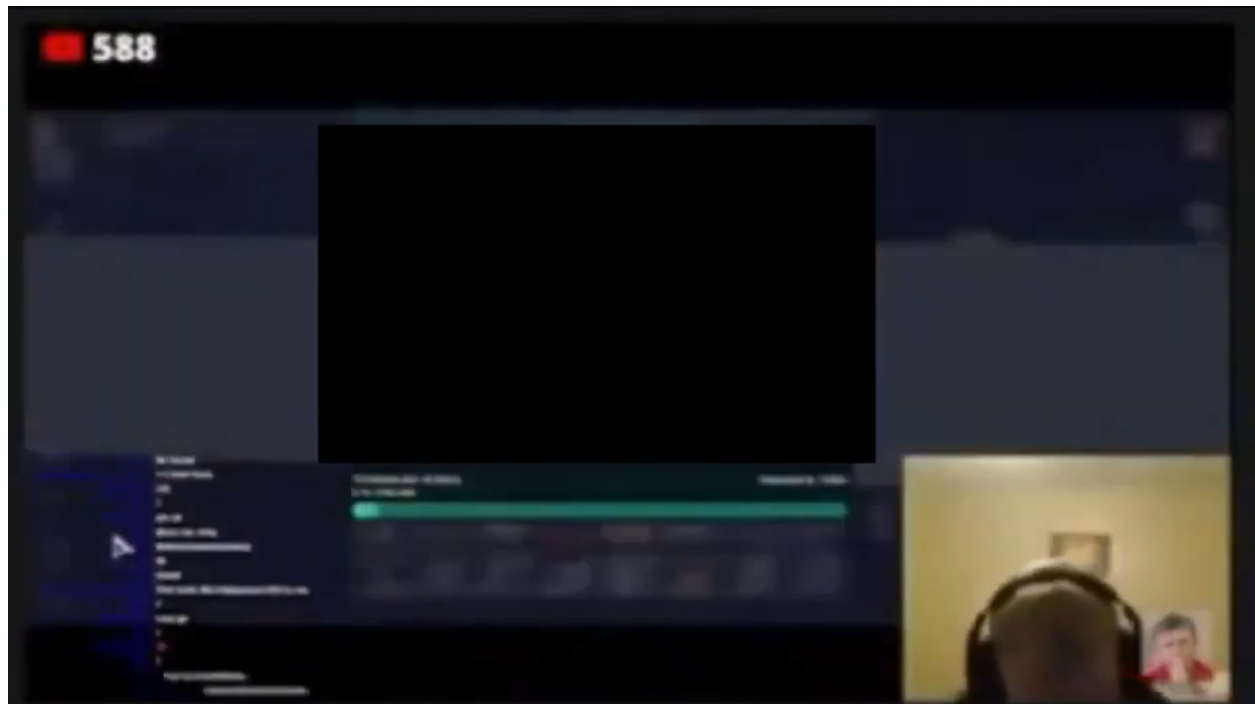

Around early 2022, many literal whos from the “Trihard Community” started sending pornographic content. But in June 2022 a figure by the name of “Medic7”, who was a former moderator of a trihard streamer named “OddKast” started to send bait-and-switch video containing gore in them, which was sent to bill.

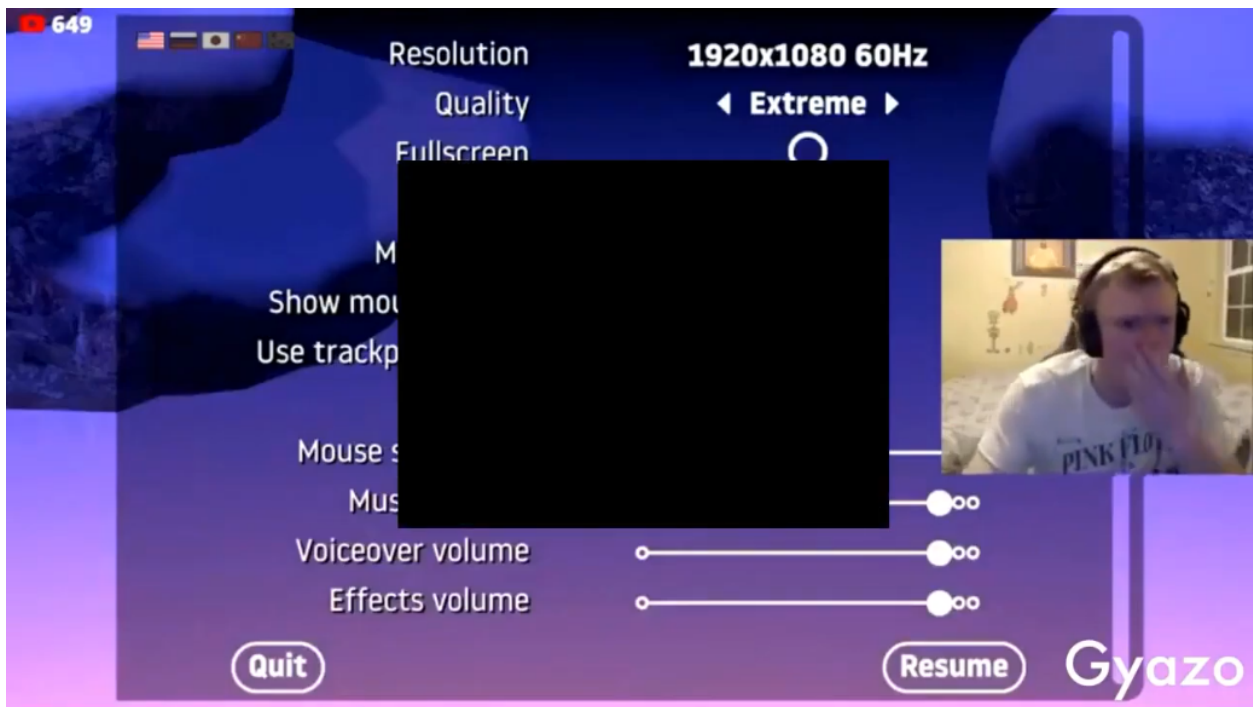

These videos would contain a graphic video of a man named “Ronnie McNutt” committing suicide on video. Once bill was sent this he would either end the stream or restart it. These videos would play during when children would be watching bill.

The evidence of CENSORED gore being sent in and evidence of children watching will below this page (click the evidence tab or some burgermania)

EVIDENCE

Heres the video (which has censored gore, so cw):

<https://www.youtube.com/watch?v=UhwLmBwkcR0>

Like i said, kids were watching bills streams

If you want proof of that then click on the "BILLS KID AUDIENCE" sub-tab

Oh and also, watch this video

<https://files.catbox.moe/tadsws.mov>

BILLS KID AUDIENCE

If you think kids aren't watching bills streams, i got proof of that. The screenshots will be below this text.

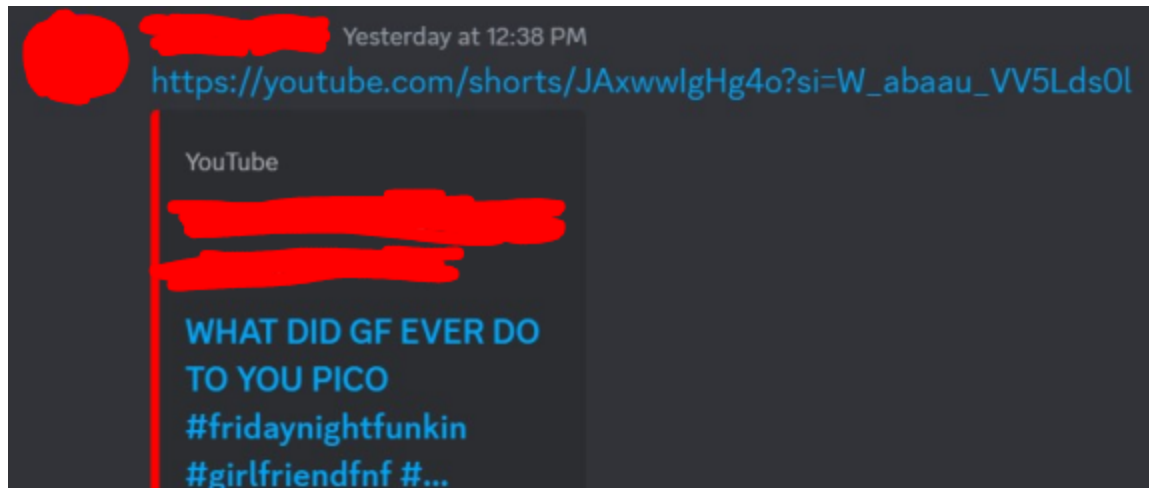

The image is a collage of five screenshots from a Discord chat. Each screenshot shows a user's profile picture, name, and message. The messages are about being introduced to explicit content by Bill Jensen at young ages.

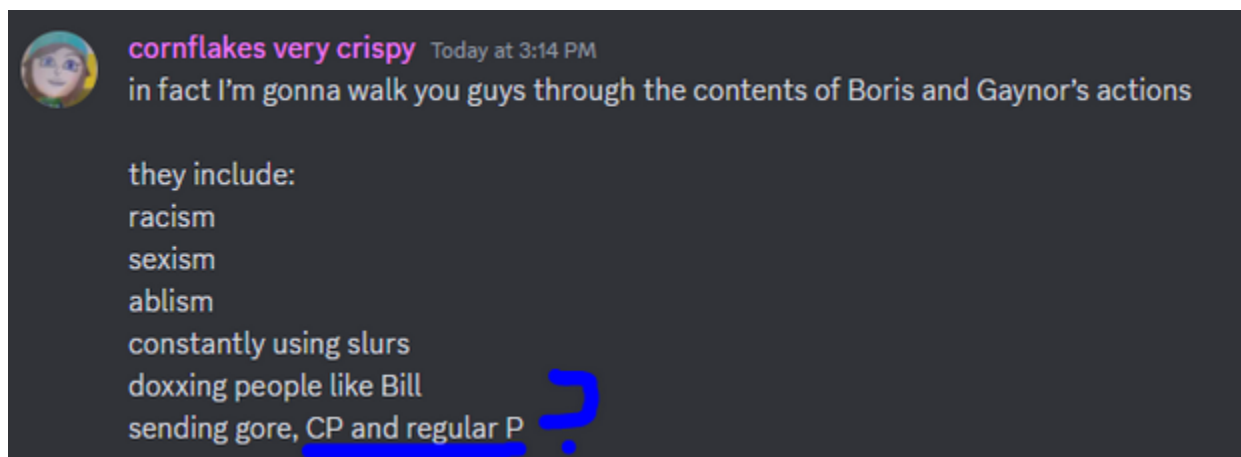

- Screenshot 1 (Top Left):** User [redacted] (orange circle) says: "Ye I was 12 when I saw him 2019 when I got introduced to gore". Timestamp: Today at 8:07 PM.
- Screenshot 2 (Top Right):** User [redacted] (blue circle) says: "if you guys want any more truthnukes on the bill jensen page, he introduced me to porn, gore, scat, hentai and other fetishes back in 2019 when i was only 10 years old". Timestamp: 04/08/2025 1:07 PM. There is a reaction of 1.
- Screenshot 3 (Middle Left):** User [redacted] (blue circle) says: "yea no shit I got introduced to gore at like 9 or so however old I was when I started watching in 2019". Timestamp: Today at 7:02 PM.
- Screenshot 4 (Middle Right):** User [redacted] (red circle) says: "when I was 12 to 13 years old, bill jensen introduced me to anal prolapse porn, some famous gore videos (like funkytown and 1444), the snake up the ass video, the TriHard community, urethra sounding videos and more shit that I don't remember rn". Timestamp: 7:02 PM.
- Screenshot 5 (Bottom):** User [redacted] (purple circle) says: "so basically, i was 15-16 when i first watched bill. i have seen a lot of bad stuff on his livestreams that he hasn't moderated. ive seen stuff like porn, nsfw, nsfl and all that." Timestamp: 05/10/2025 7:05 PM. There are reactions for 'DRE', a red circle, and a red square.

Other visible text in the screenshots includes: "@ [redacted] Tap to see attachment" and "bill jensen got me introduced to gore when i was 12 years old".

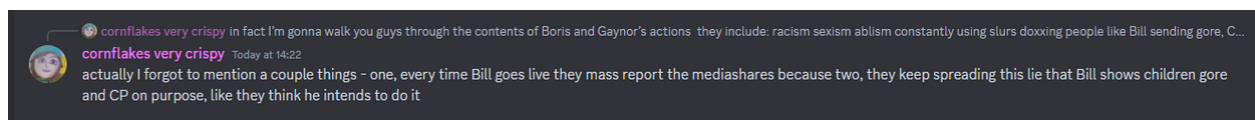

(users are censored incase they get harassed)

You cannot tell me this ISNT a child 🧒

Theres no proof that boris or gaynor has done any of these. This is literal SLANDER. Which is a crime btw 😞

(Zoom in for this btw) they only mass report because the things donated through mediashare, sometimes its literal gore, cp, porn, all of that. (THERES LITERAL PROOF OF THAT)

sinner

everyone in bill's server KNOWS the truth, they just wont admit it and when you call out bill you either first get clowned by his members then get banned by bill or his dick sucking admins.

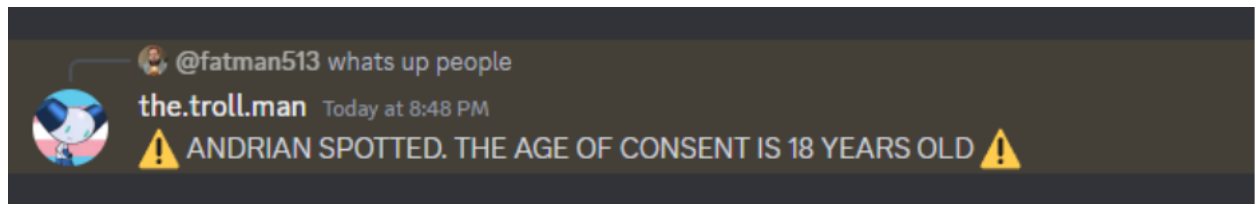

Theres literal proof of these messages. If your in bills server then heres the link to the messages:

<https://discord.com/channels/932063756027064330/1083240778849062984/1292995531919982663>

(bill deleted the original general chat in his server so these screenshots will have to do)

Theres also proof of trollman (former member of bill's server) calling andrians pedophiles (spolier, theres no proof of that)

Literal slander. Once again, IT IS A CRIME.

There was also CP played on bill's stream. If you want proof of that scroll down to the more evidence tab.

EVIDENCE OF CP BEING PLAYED

Theres also evidence that bill showed cp on his livestream full of **kids**

If your wondering if i have the uncensored version and have cp on my device, no i do not. I only have the censored versions on youtube.

WARNING.

EVERYTHING YOU ARE GONNA SEE IS CENSORED/CROPPED CSAM. I DO NOT CONDONE THIS AT ALL. viewer discretion is advised.

https://www.youtube.com/watch?v=-Q_3DdlgCp4 (cropped and censored.)

<https://www.youtube.com/watch?v=OPqWErmKRKs> (cropped and censored also)

There is also a uncropped censored version.

I only cropped it to bills facecam because if i download it (WHICH IS CENSORED) i (probably) could get arrested for owning cp.

 **bill reacts to cheese pizza while being warned for 20 mins (CENSOR...**

there was also nsfw/nsfl sent to him. you can guess how it goes (spolier: he screams at it, and sometimes he gets a boner from these nsfw/EPI videos.

Theres evidence of this below this message.

<https://www.youtube.com/watch?v=XTYqaaP8oXI>

Bill getting a boner from the epi

There is also proof that bill was sent in csm (child sexualising material)

I think it was some 12-13 year old girls (who are russian) was doing some yoga (its pretty weird.) again, i cant show the clip of that otherwise i could go to jail but i could show the censored version made by DJKrabs

Credits to DJKrabs on youtube/@mrkrabsincompton on discord for the evidence.

 billjensenevidencesevere.mp4

Unrelated but there is a clip of bill admitting that he has a kid audience watching. At the end a bodycam shooting video appeared AFTER he admitted it.

KEEP IN MIND I HAVE CENSORED THIS CLIP SO YOU DONT HAVE TO SEE THE UNCENSORED BODYCAM SHOOTING

Proof:

 bill admitting he has a kid audience.mp4

If your thinking, "it cant get worse from here" yes it does.

Bill is a hypocritical greedy piece of crap who doesn't care if you see nsfw/nsfl or not. He doesnt give 2 f*cks about your safety either! He just wants money since mediashare gives him money.

This image basically explains it all:

DJKrabs Side of the story

DJKrabs side of the story:

The image inside the screenshot ^^^

There is also more.

mrkrabsincompton (DJKrabs) 4:36 PM

Oh yeah there is something more
wait

@billjensen. so i thought these conversations would be done with

DJKrabs 12/4/24, 6:00 PM

have you ever considered the idea of addressing these in a video?

billjensen. 12/4/24, 6:00 PM

i will die from stress

I haven't made videos for a few years

he was using his "depression" as a way to avoid addressing the allegations on a video
saying stuff like this

mrkrabsincompton (DJKrabs) 4:40 PM

I even offered to edit the video for him if he actually was willing to talk about the allegations in a video (literally all he had to do was talk in front of the camera for 20 minutes and send the footage to me) yet he declined and went on some weird rant

@billjensen. I don't need to change

DJKrabs 12/4/24, 6:03 PM

you should change up some things about how your livestreams are
If you're willing to talk about all of this in a video , I can edit the video for free
alongside with the thumbnail
You don't need to pay me a penny

billjensen. 12/4/24, 6:04 PM

You don't have to
nothing is ever free
life has a cost

the drama could have ended way earlier if Bill wasn't this arrogant

Thats literally almost all the evidence DJKrabs sent of bills dms with him.
There is more to bill jensen then you think (although you have seen almost everything)
But we arent even HALF WAY THROUGH.

DJKrabs also found this message during when he was talking to bill:

mrkrabsincompton (DJKrabs) 1:18 PM

billjensen. 12/3/24, 12:22 AM

But that video not cool man. Could of talked to me

From our DMs back in december ^

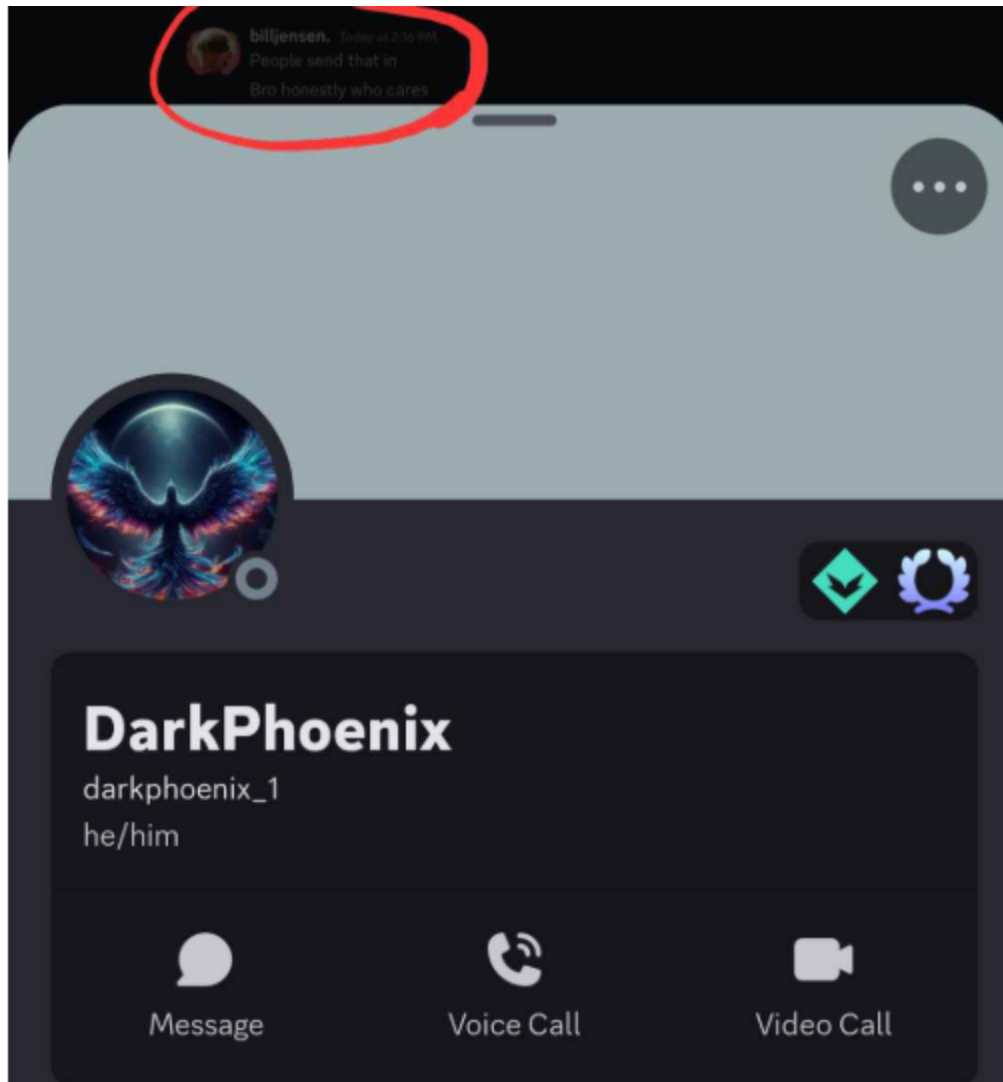

Thats it.

Bills moderator confronting him

This is a screenshot of bills mod (formerly demoted to yt/twitch mod AND kick mod until being promoted to mod by tshinotu) of him confronting bill about the allegations

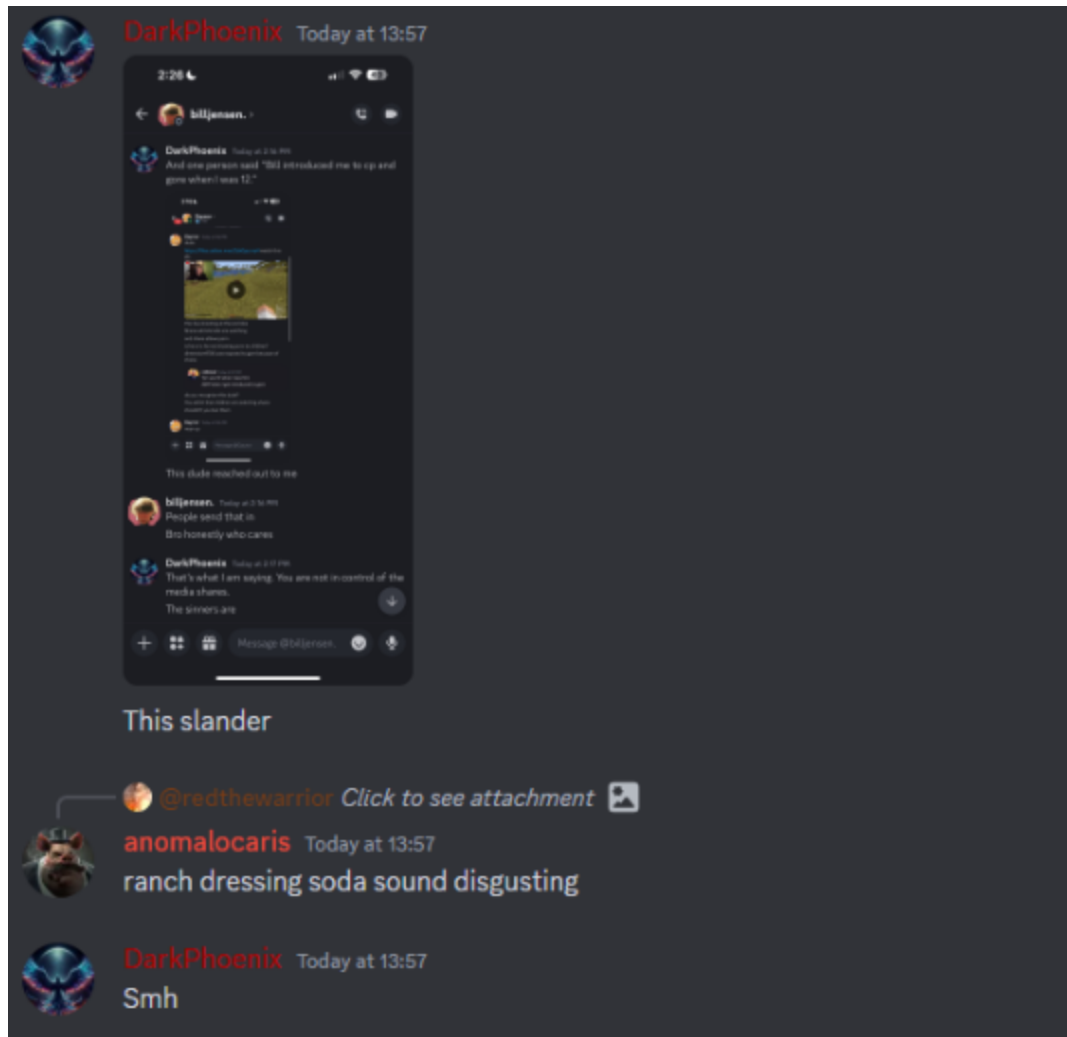

Oh and btw, this isnt “fake” or “edited” because look at this shit:

This was on literal fucking mobile meaning it CANT be edited nor fake.

DarkPhoenix also has accidently sent his convo with bill in the ch server, it was deleted after 5 seconds but luckily it was screenshotted

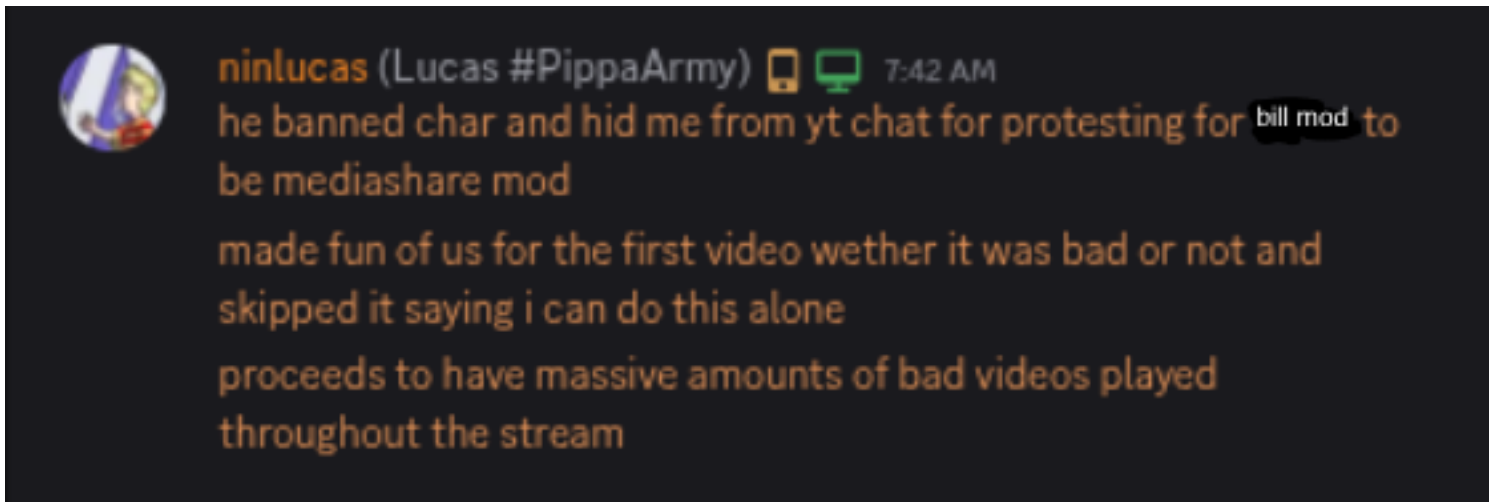

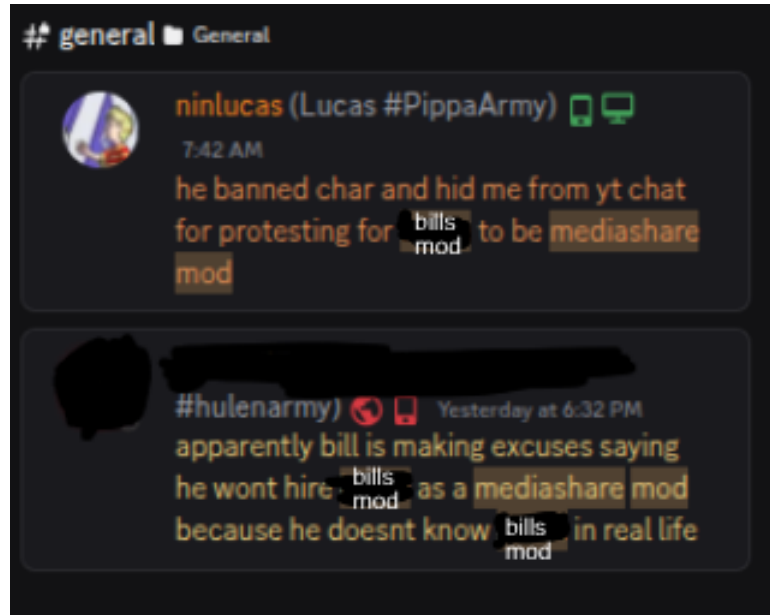

semi-unrelated but bill DID say he was gonna promote one of his mods (mod for bill jensen's discord, yt, twitch and kick mod) to mediashare mod. But he never did. And when he got confronted he said ON STREAM about it he could moderate mediashares himself (he can't lmao) when he got confronted about it by two users named char/bill chensen radio and lucas.

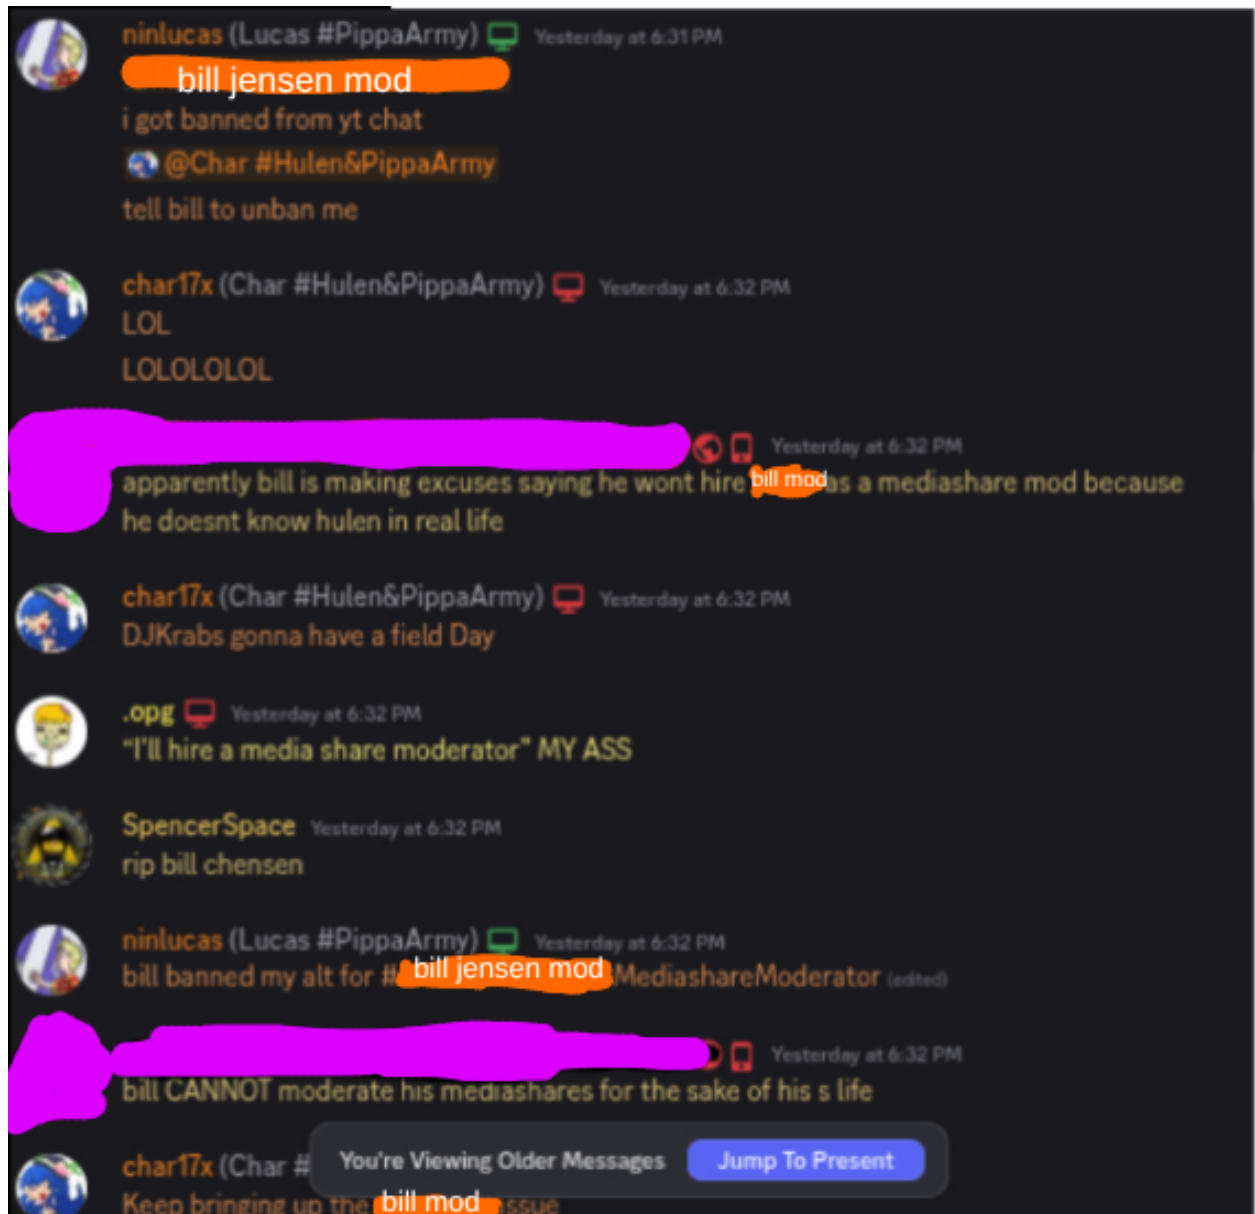

There's a screenshot of that, just scroll down.

Bill lying about making his mods to
mediashare mo

This right here ----->

Update: After the expose video on shane released by DJKrabs, Shane finally got a mediashare mod. Woo-hoo!
